

ELATT Mission and Objectives

Issue Date: 01.09.18

Mission Statement

ELATT inspires people to achieve the skills they need to flourish in life and work.

Our Charitable Objects

1. The education and training of young persons and adults in Hackney, Tower Hamlets and other disadvantaged areas of London in the skills essential for adult and working life, including information and communications technology.
2. The provision of advice, guidance and support so that such persons may benefit from education, training and employment.

Strategic Objectives 2017-2020

- Exceptional student experience: both as individuals and as a community.
- Excellence in delivery: both our own and through partnership.
- A confident workforce: confidence in ELATT, confidence in role, confidence to innovate.
- Sustainability through diverse income streams and value-for-money systems.
- A culture of adaptability and innovation.
- Meaningful outcomes for the people we help.
